\*You may purchase the physical books from any school bookstore and use the electronic code on the inside of book to provide digital copy for use in school. Alternatively, you can purchase the **eBook only** when ordering your child's device with Wriggle. On receipt of the eBook validation code from Wriggle, you should log in to the eBook supplier's website and load the eBook to your child's profile. Further information can be found in our Digital Guide.
